## *“Pot Luck Pairs” – 9<sup>th</sup> April*

At the suggestion of one of our members, we are trialling something a bit different for our ladies' morning pairs being played on Thursday 9 April – “Pot Luck Pairs”. Single entries will be received for this day with players to draw for rinks/partners – sounds like it will be a lot of fun and visitors are most welcome. Sheet for entries will be in the normal Thursday morning folder.

# Veterans' Day - 13<sup>th</sup> April

Veterans' Day is being held at North Haven this year. The names of members who indicated they would be attending have been forwarded to the District Secretary. As this event is catered for, please make sure that you let Judy Brady know (or North Haven Bowling Club) if you are unable to attend for any reason. This is always a day enjoyed by our members who have reached that significant milestone of 70 and is a day sponsored by our District.

# Morning Tea - 14<sup>th</sup> April

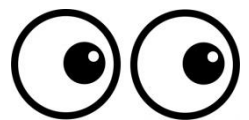

For those ladies not playing bowls at the moment, come along and join your bowling friends for a chat and a cuppa. The first round of the Club Pairs will get underway on this day and there are still some Singles games to be played so plenty of bowls to watch and enjoy!

# Gala Day - 5<sup>th</sup> May

We hope you have been busy potting up some plants for our Gala Day and getting your creative fingers busy!! Let's try and make it a very successful day for our District!

# A couple of observations...

- ✚ Mixed bowls – it's a type of team play in which you discover that one sex is not as helpless, unskilled, gentle or loving as you once thought!
- ✚ Luck – dished out in unfair, unreasonable, unwarranted, unspeakable quantities – always to your opponents.

**Get well wishes to any of our members or their families who are not very well, and we look forward to seeing you back at the club soon.**
