PRESIDENT DEB'S BITS & PIECES

DID YOU GET SELECTED FOR PENNANTS ?? If so be proud, stand tall, smile and do your best. Encourage each other.

(LEADS) – *Try your hardest to set it up for the team.*

(SECONDS)- *Listen to your skip she may want a well placed bowl not necessarily a bowl in the head or near the jack.*

(THIRDS) – *Don't jump around the head like a cat on hot tin roof. Listen to your skip. Don't undermine the skips call or play. Be careful when measuring and moving bowls out of the head.*

(SKIPS)- *Be encouraging to all the team. Don't openly criticize your team. They are all trying their hardest. Be careful of your body language.*

TEAM – REMEMBER you are representing the Club so do us proud not just necessarily by winning but by playing in the most SPORTSWOMAN like manner whatever the score stand tall.

HAVE A GREAT NOVEMBER 😊

SELECTORS REPORT

Congratulations to those selected to represent our Club in the 2016 pennant competitions. Port City has had many successes in pennants over the years and we feel confident that the teams as chosen will maintain and even enhance our reputation.

It is now up to each player to work on her bowling skills. Just as important is the building of team spirit. A team (and side) that is working harmoniously as a unit has a big advantage over a team (and side) that lacks loyalty and cohesion.

We hope the teams will practise together where possible and be ready in February to start confidently down the road to success!

As you know we now have a temporary Bowls office near our locker room. While we are there we will be taking the list of names down the day before each social bowls day – this will enable the early-rostered selectors to go direct to the office and start work on the cards. It is a great help to us if you have your name on that list beforehand and only ring at the last minute in an emergency. You can ring Shirley on 65838127 if the sheet has gone. The office phone number is still 65831133 but it is a dodgy connection and better avoided where possible.

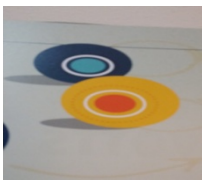

PRATICE/ COACHING

Friday mornings 10am with Margaret Doyle – Come along and get help to improve your game ready for the pennant season, everyone welcome.

UMPIRES CORNER

The scoreboard can be updated at any time by any person but must be updated at least every second end and the skip is responsible for ensuring it is correct as per the scorecard except if the scorecard has been passed from SKIP to the SECOND in FOURS, then the SECOND is responsible for the accuracy of the scoreboard and the signing of the card.
