- ✦ If a word is misspelled in the dictionary, how would we ever know?
- ✦ If Webster wrote the first dictionary, where did he find the words?
- ✦ Why do we say something is out of whack? What is whack? Why does "slow down" and "slow up" mean the same thing?
- ✦ Why does "fat chance" and "slim chance" mean the same thing?
- ✦ Why do "tug" boats push their barges?
- ✦ Why doesn't glue stick to the inside of the bottle?
- ✦ Why do you press harder on the buttons of a remote control when you know the batteries are dead?
- ✦ How come abbreviated is such a long word?

Get well wishes to any of our members who are not very well, get well soon and we look forward to seeing you back at the club soon.
